ORANEX TRADING ONE MEMBER PLC

Construction Materials & Turnkey Sourcing Catalogue 2026

ONE SOURCING PARTNER. EVERY CONSTRUCTION STAGE.
Direct International Procurement Coordination Serving Ethiopia

Contact Liaison & Technical Sourcing Desk:

Lead Engineer: Eng. Petros Abebe Mengesha
Mobile / WhatsApp: +251 912 233 688 | Email: Oranexceo@gmail.com
Official Portal: www.oranex.com.et | Bole Sub-City, Addis Ababa, Ethiopia

1. Road Construction & Asphalt Materials

- Paving Bitumen 60/70 (AASHTO M20 / ASTM D946) & Bulk Steel Drums
- MC-30 Medium Curing Cutback Bitumen for Prime Coat applications
- RC-70 Rapid Curing Cutback Bitumen for Tack Coat & Chip Sealing
- Road Construction Geosynthetics, Geogrids & Corrugated Drainage Pipes
- Highway Safety Guardrails (W-Beam), Thermoplastic Paints & Road Delineators

2. Concrete, Ready-Mix & Precast Solutions

- OCHEMI PCE 50% Polycarboxylate Ether High-Range Water Reducer (ASTM C494 Type F/G)
- SNF Sodium Naphthalene Sulphonate Superplasticizer Powder
- Sodium Lignosulphonate Bio-plasticizer & Extended Setting Retarders
- Crystalline Capillary Waterproofing & Integral Hydrophobic Additives
- Precast Concrete Lifting Anchors, Magnetic Shuttering & Formwork Accessories

3. Building Construction & Finishing Materials

- High-Tensile Deformed Steel Rebar Grade 60 (BS 4449 / ASTM A615) & Structural Steel
- White Portland Cement CEM I 52.5R, Microsilica/Silica Fume & GGBS Slag
- Waterproofing APP/SBS Membranes, Polyurethane Liquid Coatings & Sealants
- Full-Body Porcelain Flooring Tiles, Aluminum Composite Panels (ACP) & Facades
- PPR Hot/Cold Pipes, PVC-U Drainage, Sanitary Ceramics & Electrical Fittings

ORANEX Turnkey Sourcing Process & Procurement Packages

4. Construction Equipment, Tools & Site Supplies

- Heavy Earthmoving Machinery: Hydraulic Excavators, Wheel Loaders & Motor Graders
- Asphalt Pavers, Tandem Compaction Rollers & Concrete Transit Mixers
- Diesel Generator Sets (50kVA-1000kVA), Slurry Dewatering Pumps & Air Compressors
- Total Stations, GPS RTK Surveying Units & Concrete Compression Testing Equipment
- Certified Site Safety PPE (Helmets, Vests, Harnesses) & Grade 8.8/10.9 Fasteners

5. Construction Material Manufacturing Support

- Ready-Mix Concrete Batching Plants (HZS60 to HZS180) & Twin-Shaft Compulsory Mixers
- Automated Dry-Mix Mortar & Tile Adhesive Production Blending/Packaging Lines
- Asphalt Concrete Hot-Mix Batching Plants (80-240 TPH) & Bitumen Decanters
- Chemical Raw Materials: Cellulose Ether HPMC, Redispersible Polymer Powder RDP

Turnkey Sourcing Process (7-Stage Supply Protocol):

1. Project Assessment -> Review BOQs, specifications, drawings and material scopes
2. Supplier Identification -> Vetted international manufacturers in China and globally
3. Technical & Commercial Comparison -> Mill test certificates, standards, sample matching
4. Procurement Coordination -> Consolidated multi-category purchasing schedules
5. Export & Shipping Coordination -> Containerized ocean logistics to Djibouti Port
6. Import & Inland Delivery Coordination -> Modjo Dry Port bonded transit & site staging
7. Staged Project Supply -> Milestone-based delivery phased to construction schedules

Flexible Procurement Packages:

Package A: Product Category (Bitumen, PCE Admixtures, Structural Steel, Tiles, Equipment)
Package B: Work Package (Road Surfacing, Waterproofing, Faˆ§ade & Envelope, Sanitary/MEP)
Package C: Multi-Category Procurement (Consolidated multi-supplier sourcing under one schedule)
Package D: Project-Wide Materials Supply (Full BOQ-led turnkey supply from foundation to finishes)

Commercial Accuracy & Regulatory Disclosure:

All supplies subject to technical specification review, supplier confirmation, import eligibility, availability and mutually agreed commercial terms. Turnkey sourcing refers to procurement and supply-chain coordination. Engineering design, construction works, installation, certification and customs representation are included only when separately agreed.
